2016 Summer - FULL DAY Program Information.

For the last thirty years our East Norriton location has offered a summer camp experience for girls ages 5 and older. Now we're adding that feature to the Oaks location. This program is "on demand" since we're starting out, which means I need enough kids to make it possible to open every day - lights and air conditioning - but it's a great summer day experience.

9:30am to 3:30 pm Monday through Friday **July 18 to July 22** and **July 25 to July 29**.

9:00 - 9:15	The gym opens and students are welcome to arrive.
9:30 to 10:00	Student Drop Off. Morning warm-up and stretch.
10:00 to 11:30	Morning work-out
11:30 to 12:00	Dance, video/photo, and physical conditioning
12:00 to 12:45	Lunch Break
12:45 to 1:15	Game Time. Afternoon warm-up and stretch
1:30 to 3:15	Afternoon work-out
3:15 to 3:30	"New Move". Clean up. Student Pick Up.
3:45 - 4:00	The gym closes

The cost is \$235 per week. Adult Instructors. Air Conditioned. Small Group Setting. We're not a giant day camp factory with hundreds of kids running everywhere. We know everyone's name and who they are. This is a fantastic chance to learn!

The last session of the school year is May 2 to June 18 - seven weeks.
The gym is CLOSED June 19 to June 25 and June 26 to July 2 - July 3 and 4, too!

2016 Summer - EVENING Program Information

The school year is over in June but the gym runs all year round. We offer evening classes in the summer starting on **Tuesday July 5 and Thursday July 7**.

** it's a seven week session ending on August 18.

** we'll keep all the Tuesday/Thursday classes running as long as we have enough students
